

Kentucky Service Degree

The Kentucky Service Degree was established to honor members of KPPA/PPN who have contributed service and brought recognition to the association. The degree is earned by accumulating 50 Merits as described below.

When all the merits have been earned and the application is approved, the KPPA Medallion on a Black Ribbon will be presented at the Annual Convention Awards Reception. Members who have previously received the Kentucky Degree of Excellence will receive a Red & Black Ribbon to signify they hold both degrees.

A gold bar, to be affixed to the ribbon, will be presented to members who accumulate 50 additional merits. You are to keep track of your merits on your personal log sheet. When you have earned a total of 50 merits your log sheet is to be turned in to one of the office. This must take place at least 30 days prior to the Photo Pro Expo for verification and to insure your medallion or gold bar will be available for presentation.
